Marriage and Divorce Kentucky has thirteen legal reasons for divorce.

In twenty years Canada has had but H6 divorces. Desertion is the most common cause

of divorce in Sweden. The average age of widowers when narrying is 42, of walous :t).

Scotland has fifteen divorces to every 1,000,000 in population. Paris has nearly one half of the ivorces granted in all France.

Austria has twenty six divorces 1,000 marringer; Hungary, but 6. Many states forbid marriage between

white and Chinese persons. Of divorced couples in Germany, over 5 per cent have no children.

It Austria II is the legal ago for narriage for both mes and women. In eight-five years there have been rance 22,865,000 marriages.

The most common cause for divore n Italy is cruelty from the husband. Forty states and territories forbid parriage between an uncle and niece. There are at the present day 62,062 livorced persons living in Germany. In England to 1,000,000 of population there are nine divorces every year. Bride stealing or abduction is pun i-hable by heavy penaltus in all the

*tates. In all countries January, June and July are the favorite months for mar

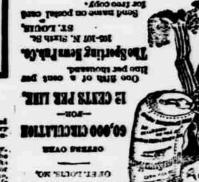

Heliogabalus divorced one of his wives because she had a mole on her -houlder. Italy in the last twelve years has bas 2573,000 marriages and 6,000 divorces. In Colorado a wife was granted a de-

Arist ale said that the proper age for marriage was 37 for a man and 18 for a woman.

The greater portion of divorced peaple in France are between 40 and 50 vears of age. The minimum age fixed for marriage

in Sparta was 30 for a man and 20 for Twenty five states and territories forbid marriage between white and the

"de red" people. As a blend purifier, the most eminent physicians prescribe Ayer's Surseparilla. It is the most powerful constitution of regerable afteratives ever offered to the total county, discount, to blenk is, we designated upon the original placet the form of Mound Cur, their county, dissourt.
